

KNOWLEDGE

Brings comfort and improvement when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid nutritive principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for sale by all druggists in 50c and \$1 bottles; but it is manufactured by the California Fig Syrup Co., only whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.

and how to attain it.

A man is not worth what he tells the world,

describes his effects, boasts the comedy. This

is undoubtedly the most valuable, artistically

the most beautiful, medicinal book that has

ever been written on this subject.

Some of the subjects treated are Nervous Debility, Impaired Memory, Degeneration of the Brain, etc.

Everyone who would know the grand truths,

OFF DAY FOR STOCKS

Bulls and Bears Take a Short Breathing Spell.

TRUNK LINES THE FEATURE

Money Was Irregular, With But Very Few Borrowers—The Commission Orders Made the Day's Business.

New York, April 6.—Money on call has been irregular, ranging from 6 to 10 per cent; last loan 3½ per cent, and closing offered at 3½ per cent.

Posted rates 487488.

Government bonds steady.

There was a half in speculation at the stock exchange today. The dealings footed up only 23,511 shares, against 40,000 yesterday. The market was not weak at any time, but under sales to realize the profits by the bulls and a renewal of the bear attacks prices reacted at intervals. The commission houses received liberal buying orders for local and out-of-town account early in the day, and prices advanced ½ to 1½ per cent. The eastern and western trunk line shares, New England, Cordage, and Louisville and Nashville were especially strong. The sales of listed shares aggregated 255,500 shares, and of unlisted 28,000 shares.
